Now: nothing urgent at this mileage.
Plan: nothing else on the list before 75,000 mi.
Recalls: 5 safety recalls listed for this model year; we check the VIN.
Warranty: may still be under Genesis's powertrain warranty (usually 10 years or 100,000 mi from the day it was first sold, for the original owner; 5 years or 60,000 mi after a resale). A covered engine or transmission repair is free at a Genesis retailer, so we check the coverage before quoting one.
Maintenance: the maker's schedule (brake fluid, spark plugs, coolant, transmission fluid) isn't on this report yet; ask us what's due for your car.

Based on public records and published repair costs. Not a diagnosis or a guarantee. Your technician's inspection decides what your car needs. Confirm recalls with a dealer using your VIN. “If it fails” figures are repair bills reported in public sources or, where none are published, our estimates (each one labeled in the full report); they are not predictions. Open recalls are free at a Genesis retailer. Prices are estimates before tax, shop supplies and disposal fees, and may change after inspection.
