Based on public records and published repair costs. Not a diagnosis or a guarantee. Your technician's inspection decides what your car needs. Confirm recalls with a dealer using your VIN. “If it fails” figures are repair bills reported in public sources or, where none are published, our estimates (each one labeled in the full report); they are not predictions. Open recalls are free at a Kia dealer. Prices are estimates before tax, shop supplies and disposal fees, and may change after inspection. Not a written repair estimate: we confirm the price with you before any work. Data: RepairAhead, 2026-10-28.r1. Not affiliated with Kia Corporation.
