☐ Approve

We'll keep an eye on at each visit

Throttle position sensor and throttle control faults (inspect at each service; fix at the first sign)

Recommended now

$1,400

Springfield Auto Care prices (example)

Planned through 155,000 mi

From $2,087

Now + next 12 months + next 30,000 miles, with the factory maintenance on this report if the records don't show it done. Excludes "watch" and optional items.

Safety recalls NHTSA lists for this model year (3)

14V-435 Suspension · front coil springs (salt-belt states) · **05V-527** Air bags · passenger occupant classification · **05V-450** Air bags · passenger occupant classification

A model-year list, not a VIN check. Repairs are free at a Hyundai dealer if open. On a car over 15 years old, ask the dealer whether a newer recall is still repaired free. Check this VIN at nhtsa.gov/recalls.

Recalls: Springfield Auto Care checks this VIN for open recalls. Open recalls are repaired free at a Hyundai dealer.

Questions? Ask Springfield Auto Care at service@springfield-auto-care.example. The full report, with sources for every figure, is one scan away.

Based on public records and published repair costs. Not a diagnosis or a guarantee. Your technician's inspection decides what your car needs. Confirm recalls with a dealer using your VIN. "If it fails" figures are repair bills reported in public sources or, where none are published, our estimates (each one labeled in the full report); they are not predictions. Open recalls are free at a Hyundai dealer (over 15 years old: ask the dealer). Prices are estimates before tax, shop supplies and disposal fees, and may change after inspection. Not a written repair estimate: we confirm the price with you before any work. Data: RepairAhead, 2026-10-27.r1. Not affiliated with Hyundai Motor Company.
