WHAT TO SAY AT THE COUNTER (ADVISOR)

1. CVT (continuously variable transmission)
The CVT that Nissan pairs with this engine is the most common big bill on these cars. At 87,000 mi your car is in the mileage range where owners report it. Our price is $260, before tax and shop supplies.
Ask: have you noticed whine at highway speed, or shudder or judder from a stop?

Adjust after the inspection. The report is not a diagnosis or a guarantee, so say what the technician found, not what the report predicts.

NOTES FOR THE ADVISOR

Record findings here (OK / Watch / Fix and measurements); the advisor adjusts the quote before the handout is printed or sent.

Reference only. Follow Nissan repair procedures and your shop's judgment.
