Springfield Euro Auto prices (example)

Planned through 126,000 mi
$3,449
Now + next 12 months + next 30,000 miles, with the factory maintenance on this report if the records don't show it done. Excludes "watch" and optional items.

Safety recalls NHTSA lists for this model year (3)

15V-318 Air bags · driver inflator · **14V-428** Air bags · passenger inflator · **20V-018** Air bags · passenger inflator

A model-year list, not a VIN check. Repairs are free at a BMW dealer if open. On a car over 15 years old, ask the dealer whether a newer recall is still repaired free. Check this VIN at nhtsa.gov/recalls.

Recalls: Springfield Euro Auto checks this VIN for open recalls, including 14V-428, 15V-318. Open recalls are repaired free at a BMW dealer.

Questions? Ask Springfield Euro Auto at service@springfield-euro-auto.example. The full report, with sources for every figure, is one scan away.

Based on public records and published repair costs. Not a diagnosis or a guarantee. Your technician's inspection decides what your car needs. Confirm recalls with a dealer using your VIN. "If it fails" figures are repair bills reported in public sources or, where none are published, our estimates (each one labeled in the full report); they are not predictions. Open recalls are free at a BMW dealer (over 15 years old: ask the dealer). Prices are estimates before tax, shop supplies and disposal fees, and may change after inspection. Not a written repair estimate: we confirm the price with you before any work. Data: RepairAhead, 2026-10-27.r1. Not affiliated with BMW AG.
