A model-year list, not a VIN check. The full report lists the others. Repairs are free at a Volkswagen dealer if open. On a car over 15 years old, ask the dealer whether a newer recall is still repaired free. Check this VIN at nhtsa.gov/recalls.

Recalls: Springfield Euro Auto checks this VIN for open recalls. Open recalls are repaired free at a Volkswagen dealer.

Based on public records and published repair costs. Not a diagnosis or a guarantee. Your technician's inspection decides what your car needs. Confirm recalls with a dealer using your VIN. "If it fails" figures are repair bills reported in public sources or, where none are published, our estimates (each one labeled in the full report); they are not predictions. Open recalls are free at a Volkswagen dealer (over 15 years old: ask the dealer). Prices are estimates before tax, shop supplies and disposal fees, and may change after inspection. Not a written repair estimate: we confirm the price with you before any work. Data: RepairAhead, 2026-10-27.r1. Not affiliated with Volkswagen AG.
